—Different and Better

Tomorrow morning at 9 o'clock no less than 483 new suits will be on sale for the first time in Washington. The makers and The Palais Royal are to double the usual business this "Garment Week"—with values unprecedented. Suits at \$10 and \$15, equally stylish and reliable. Those at \$15 are most elaborate, trimmed with superior furs and braided by men tailors; reproductions of expensive imported models.

Four Models Exactly as Pictured

—and hundreds of others. Suits that will be worn without a suspicion of the cost being less than \$20.00. Suits that will retain their graceful lines as lastingly as \$20.00 models. Suits that will be the better appreciated the longer they are worn.
